RSVP is not required, but highly encouraged.

Please reply to dzuber@pacificenvironment.org with your name and affiliation by noon on May 7, 2013.

Sun Qingwei is Greenpeace East Asia's Climate and Energy Campaigner. Before joining Greenpeace in 2011, he was an associate professor and an assistant professor at the Chinese Academy of Sciences for eight years, specializing in drylands environments, water resources, and climate change. He received his Ph.D. from the Chinese Academy of Sciences in Physical Geography and a Bachelor's degree from Lanzhou University in Physical Geography.

He grew up in a coal mining family.
